Security Solutions

- CCTV Systems,Networked CCTV.IP Camera
- Access Control, Bio Metric Solutions, People Counters and Sensors
- Network Security Solutions
- Anti-Spam Solutions

Innovation Powered by Technology!

IT Management Solutions

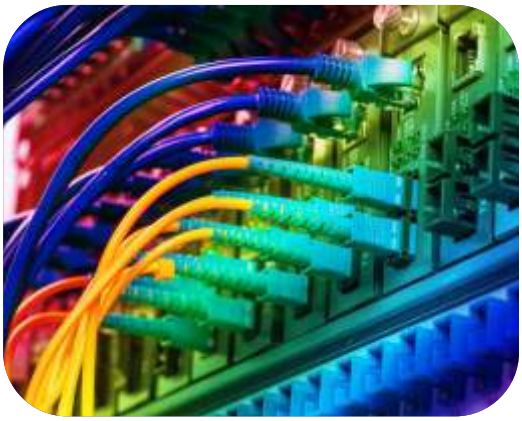
- Infrastructure Management Services
- System Integration (Deployment & Maintenance)
- IT Help Desk Services
- Network Management
- Application Support
- Desktop Management

Platform Solutions

- Exchange Server Design & Implementation
- SQL Server Design & Implementation
- SharePoint Deployment Planning Services
- Disaster Recovery/Backup Planning and Implementation

IT Infrastructure & Networking

We provide World class IT & Networking solutions to our valuable Clients. Design and implementation of Complete IT infrastructure, VPN Solutions, HP Server, Storage and Rack Solutions, Antivirus and Firewall solutions, Wireless networking solutions.



Structured Cabling/ Fiber Optic cabling & Infrastructure solutions

Standards based structured cabling solutions for large enterprises.Structured Cabling work is an end-to-end, integrated high-performance CAT6 and fiber cable connectivity and cable management solutions for applications from the desktop end-point to data center.

Switching and Routing (LAN/WAN / Wireless)

With IOS software and technologies, serve as the delivery vehicle for various IP based services like campus, wide area, and metro area networks and hence providing a common enterprise-wide infrastructure for transporting voice, video, and data.

Data Center Solutions

TBC offers a broad range of project expertise. We specialise in planning, designing, engineering, constructing, monitoring and maintaining data centres, computer rooms and server rooms that integrate 'best-of-breed' critical infrastructure technologies. This can also include migration planning of existing installations to new or upgraded facilities. The result is an always available, scalable, redundant, fault-tolerant, manageable, and maintainable data centre environment

Telecommunication Systems (Cisco)

A business telephone system differs from simply using a telephone with multiple lines in that the lines used are accessible from multiple telephones or "stations in the system, and that such a system often provides additional features related to call handling.
We also provides Satelite Internet & Tele Systems.

Security & Access Control Systems

TBC security Solutions deliver a comprhensive range for your organizations current security capabilities, compared to relevant industry guideline, vertical industry-specific requirements and international and federal standards-based security practices to assist you in setting the right course to achive your risk management goals and objectives.
We also provides Satelite Internet & Tele Systems.

CCTV Systems

We provide the most up-to-date & cost effective security solutions for all your CCTV needs, with a variety of cameras & accessories from leading manufacturers. From high-definition megapixel to standard-definition CCTV Cameras.We provide a complete range of IP Camera CCTV system installation services across all industries and applications

Access Control Systems

We offer various Access Control Solutions & Security Management Systems for your building, property or office. Be it stand-alone or a fully integrated system, we have the answer. From a single door to a large-scale complex, we can provide the most up to date and cost effective access control solutions.

Bio Metric Solutions

TBC Biometric tecnologies, that read the unique characteristics of fingerprints, voice, facial and iris pattersns to prove a person's identity.

People Counters and Sensors

TBC is premier supplier of people counting systems. All our systems include technologies that is easily expandable and upgradeable. so you will not lose your investment.each people counter incorporate the latest technologies in sensing, data collection and reporting.

Network Security Solution

Develops strategic partnerships with the industry's leading technology companies, solution providers, and resellers as part of our commitment to provide quality solutions and to enhance the value of our network and Internet security solutions

Computer Products

TBC the supplier of a wide range of computer products. And these include high-quality Tablets, Laptops, Workstations & desktop PCs, Multifuction Printers, Scanners, Fax Machines, Photo Copiers, Inktoner,and we also supply LCD computer monitors, Brackets, uninterruptible power supplies (UPS), computer multimedia keyboards and other computer/Network/Telephone accessories

Upgrade Your Digital Arsenal with our Cutting-Edge **Accessories**
